MEMORANDUM FOR: DIRECTOR OF CENTRAL INTELLIGENCE

SUBJECT: Expression of Appreciation (U)

1. Reference is made to ACSI requirement RDX-1134, subject: Request for Translation of Classified Arabic Document, dated 18 April 1958.

2. The referenced requirement involved the translation of a very voluminous microfilmed document in Arabic which will be of great value to analysts in the preparation of a forthcoming NIS and other intelligence studies.

3. The expeditious handling of this translation and the high quality of the finished product reflect great credit upon the translators involved, Foreign Documents Division, and Central Intelligence Agency. I should be grateful if you would express my appreciation as well as that of my staff to the personnel who were engaged in the translation project for their splendid performance.
